## Photo Release Form: 2010-2011

The Linden School often includes photos of students, teachers and school activities on its website, in its newsletter and in other print and electronic publications. This year, we would also like to begin uploading Linden photos and videos to some of the social media tools we use (e.g. Twitter, Youtube, Flickr). First names of students may also appear in stories or accompany photographs in our newsletter. It is our policy that information identifying a student beyond her first name (last name, address, telephone number etc.) **will not** be used.

Please read the options regarding name and photo usage below carefully and return this form as soon as possible. **Please mark your preferences for each option.**

**\*Important note:** For students returning to Linden in 2011-2012, this permission will remain valid until **September 30, 2011**; for students **not** returning to Linden in 2011-2012, this permission will remain valid until **August 31, 2011**.
